**INFORMATION DISCLOSURE STATEMENT**

Dear Sir:

In compliance with 37 C.F.R. §§ 1.97 and 1.98, and in fulfillment of the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that the references listed on the accompanying form PTO-1449 be made of record and considered with respect to the above referenced United States patent application. A copy of each reference is enclosed.

Each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. The references were cited in the European Search Report ('EPSR') of the corresponding European Patent Application. A copy of the EPSR is also enclosed.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made, or an admission that the information is, or is considered to be, material to patentability, or that the information is analogous to the subject matter of the present invention, or that no other material information exists. Further, the filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Written notification that the enclosed references have been considered in their entirety by return of a copy of the enclosed PTO-1449 form, completed by the Examiner, is respectfully requested.

Respectfully submitted,
